1 day hands on Dental laser soft tissue course

Saturday 19th September 2026 08.30am – 6pm Holiday Inn, Hemel Hempstead (M1, J8) HP2 4UA

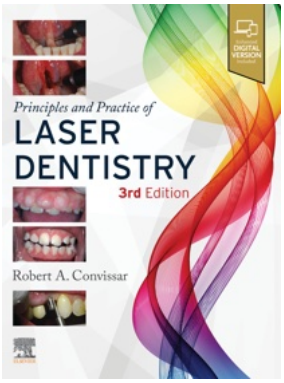
Come and be part of an amazing course which will take you through the best practices of lasers in Dentistry. The course will include best practice in most dental fields including: perio, ortho, restorative and oral surgery (among others) but will focus on Oral Cancer Screening and Laser Biopsy Techniques. The course will be led by the Author of the World's most successful Laser Dentistry textbook: "Principles and Practice of Laser Dentistry".

The day will consist of various lectures in the morning and early afternoon then Hands on with apples, pig jaws and chicken wings for simulation.

During the course, you will learn more about Oral Cancer and how you can perform Oral cancer screening (**Goccles**) for your patients. During the Hands on, Laser Biopsy Techniques will be covered as well as practical laser techniques such as troughing, soft tissue crown lengthening, perio and periimplantitis as well as Photo Biomodulation (PBM) using multiple laser wavelengths. Please book early as there are limited places for this 'Hands on' workshop.

The course is recommended for general dentists, periodontists, oral surgeons, paediatric dentists, prosthodontists, cosmetic dentists, and staff.

The lectures will be presented by **Dr Robert Convissar**, who is widely published on the subject of dental use of laser wavelengths, including applications in snoring. The course qualifies for 8 hours CPD (lectures and hands on).



From a previous course in the Middle East

Robert A. Convissar, DDS F.A.G.D. Diplomate; American Board of Laser Surgery; Fellow, American Society of Laser Medicine and Surgery; Master, Academy of Laser Dentistry; Faculty, MSc in Laser Dentistry, University of Genoa; Director of Laser Dentistry, New York Presbyterian Hospital, Queens, NYC

The cost of the course is:

Full course, Saturday 08.30 am until 6.00 pm includes coffee/tea and lunch **£395.00**

early booking before 19th August 2026, **£345.00** saving £50.00

To book, please see:
https://chapmanic.com/events/

This will qualify for 8 **hours CPD credit**

The course is accredited by the ABLS and participants are invited to complete an on-line certification exam
