

2 day hands on course Laser Dentistry from A-Z

Thursday 3rd & Friday 4th June 2027 9.00am – 6pm Holiday Inn, Hemel Hempstead HP2 4UA (M1, J8)

Come and be part of a laser course which will take you through the best practices in the use of soft tissue lasers in periodontal, restorative, prosthetic dentistry, oral surgery, paediatric dentistry, endodontics, orthodontics and cosmetic dentistry led by the Author of the World's most successful Laser Dentistry textbook: "Principles and Practice of Laser Dentistry".

The day will consist of lectures on the Thursday and until mid afternoon on the Friday then Hands on with apples and animal models for simulation.

Time will also be allocated to the use of diode lasers (635 & 810nm) for Photo Biomodulation (PBM) a subject that is a must for all laser users.

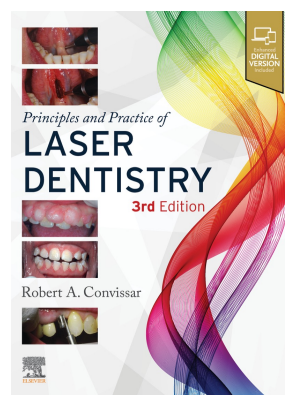

The course will be supported by case reports, pictures, videos as well as references from peer reviewed literature and will also cover the required laser **Core of Knowledge** for UK use of lasers.

Please book early as there are limited places for the 'Hands on' element of the workshop.

The course is recommended for general dentists, periodontists, endodontists, paediatric dentists, oral surgeons, prosthodontists, cosmetic dentists, Hygienists, Therapists and all staff.

From a previous UK course

Robert A. Convissar, DDS F.A.G.D. Diplomate; American Board of Laser Surgery; Fellow, American Society of Laser Medicine and Surgery; Master, Academy of Laser Dentistry; Faculty, MSc in Laser Dentistry, University of Genoa; Director of Laser Dentistry, New York Presbyterian Hospital, Queens, NYC

The lectures will be presented by **Dr Robert Convisar**, who is widely published on the subject of dental use of laser wavelengths, including applications in snoring. The course qualifies for 15 hours CPD (lectures and hands on).

The cost of the course is:

Thursday & Friday 9.0 am until 6.00 pm
including coffee/tea and lunch **£495.00** early
booking before 4th May 2027, **£420.00** saving
£75.00 (all prices include VAT).
