1 day hands-on Periodontal & Peri-implant Laser Course, the RELAPP TECHNIQUE ©

Saturday 5th June 2027
9.00am – 6pm Holiday Inn, Hemel Hempstead HP2 4UA (M1, J8)

Regenerative Laser Assisted Periodontal and Peri-Implant Therapy, A One Day Hands On Masterclass

Come and be part of a unique course which will take you through the best practices in the use of soft tissue lasers for periodontal and peri-implant soft and osseous tissue regeneration. The course is led by the author of the world's most successful laser dentistry textbook - **Principles and Practice of Laser Dentistry** - now in its 3rd edition.

The day will consist of lectures until around mid-afternoon, then Hands on with apples and animal models for simulation.

The morning will consist of lectures that will support and validate the 12 step RELAPP technique © via a comprehensive discussion of the peer-reviewed literature, case reports, pictures and videos.

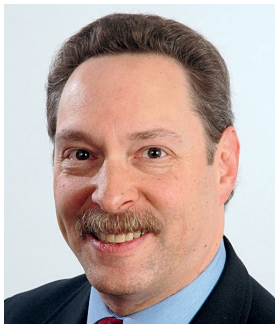
During the afternoon hands on session, the delegates will be guided through the exclusive 12 step program to regenerate a healthy periodontal apparatus.

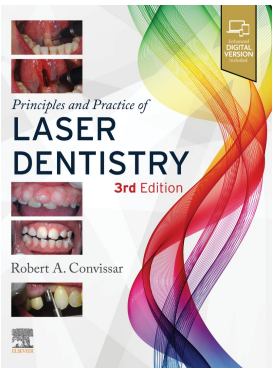
Time will also be allocated to the use of diode lasers (635 & 810nm) for Photo Biomodulation (PBM) a subject that is a must for all laser users.

Please book early as there are limited places for the 'Hands on' element of the workshop.

The course is recommended for Implantologists, oral surgeons, periodontists, prosthodontists, cosmetic dentists, general dentists, Hygienists, Therapists and all support staff.

From a previous course in the Middle East





Robert A. Convissar, DDS

F.A.G.D. Diplomate; American Board of Laser Surgery; Fellow, American Society of Laser Medicine and Surgery; Master, Academy of Laser Dentistry; Faculty, MSc in Laser Dentistry, University of Genoa; Director of Laser Dentistry, New York Presbyterian Hospital, Queens, NYC

The course qualifies for 8.5 hours CPD (lectures and hands on).

The cost of the course is:

Full course, Saturday 9.0 am until 6.00 pm including coffee/tea and lunch **£420.00** early booking before 5th May 2027, **£375.00** saving £50.00 (all prices include VAT).
